

IN THE BUSINESS OF YOUR SUCCESS™

The **NEW** Commuter Check Card Prepaid MasterCard® is Here!

The new MasterCard® Commuter Benefit card is now available for eligible transit or parking products. You may order the card through the online Commuter Benefits platform at www.flexdirect.adp.com. And, once you order this new product, the card can be electronically loaded with your commuter payroll deductions each month. That means you have the security of electronic funding and can purchase your Commuter Benefits products when it's convenient for you!

Cards are now available for the following Commuter Benefit Plan types:

Commuter Check Card for Transit is accepted at Transit Agencies, fare vending machines and designated transit retail centers that sell transit passes, tickets, fare cards, and vanpool passes and accept Debit MasterCard® for payment. Use your Commuter Check Card the same way you would use a credit card at your local transit agency*. The Commuter Check Card can also be used at Fare Vending Machines, saving you time waiting in line or locating a customer service desk or staffed sales area.

Commuter Check Card for Parking offers the functionality and convenience of a reloadable, personalized, debit card for use at parking facilities nationwide where Debit MasterCard® is accepted as payment. No receipts are necessary with this solution, just swipe and go!

NOTE: You may only request a card for the Plan type(s) your employer offers.

Ordering your Commuter Check Card is easy...

1. Once you've logged into www.flexdirect.adp.com, go to your Commuter Benefits page and select the type of product you want to order: *Transit* or *Parking*.
2. Select your Greater Metropolitan Area (GMA) and then select *Commuter Check Prepaid MasterCard®* from the list of providers.
3. Enter the value you would like loaded onto your card (based on your available account balance) and provide some basic demographic information, which will be used to authenticate your identity.
4. Confirm your order information and account settings, review the card terms and conditions and click *Purchase*. It's that easy!

NOTE: Commuter Check Cards may only be used for eligible commuter products as defined by the tax code that governs this benefit program.
